

# Bicycle Giveaway 2009

**Deadline:** Tuesday, November 24

**Submit Form**

KAFPA Resource Center  
373 W. Julian Street, 1<sup>st</sup> Floor  
San Jose, CA 95110

New bicycles generously donated in time for the holidays by Turning Wheels for Kids!

Please fill out all information completely for child(ren) to be part of the drawing! Use the Bicycle Size chart below to determine bike size.

Forms **must** be returned to the Resource Center **by Tuesday, November 24, 2009**

Tricycles for toddlers	Age: 2 to 3
12" wheel - measures 14-16 inches from ground to middle bar bike frame	Age: 3 to 4
16" wheel - measures 17-18 inches from ground to middle bar bike frame	Age: 5 to 7
20" wheel - measures 19-21 inches from ground to middle bar bike frame	Age: 7 to 9
24" wheel - measures 26-27 inches from ground to middle bar bike frame	Age: 8 to 17
26" wheel - measures 27-28 inches from ground to middle bar bike frame	Age: 11 to 17

Using a measuring tape, measure the height from your child's crotch to the floor. Record the length in inches; this is the inseam. Please note that the 12 and 16" bikes **usually but not always** come with training wheels

Bike frames vary by manufactures so measurements listed above are based on last years models. Please note that age requirements are suggestions only and cannot be guaranteed to be exact. We will be requesting bikes in each category and similar to past years will be limited to the bikes that the organization donates to us this year.

Note: Giveaway is open to all kinship, adoptive, foster families. If a child received a bike last year, he or she **will not** be eligible for a new bicycle this year. Should a child be placed in your home **after** the deadline date, please have the child's social worker contact us directly and we will fill out a form for them with your information.

**Please Fill Out Each Section Per Child and Write Clearly (6 per page)**
